

CHILD Study

The CHILD study will follow 5,000 children from before birth to 5 years across Canada to investigate what factors in the environment may be related to children's health and development.

CHILD

Please contact the study coordinator at: 416-586-4800 ext. 2977

Are you pregnant?

Are you 18 or older?

Are you planning to deliver at this hospital?

If yes,
you may be eligible to participate in a National Study of 5,000 children born in Canada
